Minutes of the Annual Meeting of the
North Georgia College Alumni Association
June 6, 1959

The annual meeting of the North Georgia College Alumni Association convened at 1:00 P. M. Saturday, June 6, 1959, at the North Georgia College Auditorium in Dahlonega, Georgia, following lunch in the Dining Hall. Approximately 60 members were present.

The meeting was called to order by the President, Mr. Hugh Hilliard. The President stated that there would be no official pole of members entitled to vote. It would be accepted that those who vote on business transacted were official members. He then appointed Miss Jean White as official Parliamentarian.

Minutes of the last meeting, held on May 31, 1958, were read. Upon motion of Mr. O. L. Amsler and seconded by Mr. J. W. Phillips, the Association voted that they be approved. Mr. Donald F. Dean, Secretary and Treasurer, reported on the Association's finances. A copy of his report is attached to these minutes. Reports made by Committees are as follows:

(A) Mr. J. E. Creel reported that plans were under way which will enable the Association to attain a portrait of Col. West.

(B) Mr. J. W. Phillips, Chairman of the Committee, charged with recommending time and place of next meeting made the motion that the meeting be held on Saturday, June 4, 1960, at 12:00 noon. Motion was seconded by Miss Jean White and unanimously passed by the Association.

(C) Mr. Robert M. Moore, Chairman of the Education Loan Committee, gave a report on the Loan and Scholarship Funds and the North Georgia College Foundation, Incorporated. He stated that the necessary papers for the Incorporating the Foundation had been drawn up, and had been charged with

the Secretary of State. He also stated that the necessary by-laws had been drawn up and approved. Thereby, enabling the Foundation to legally become a function in body.

An explanation of mentioned by-laws was given by Mr. J. J. Gainey. Mr. Gainey stated that the Incorporators will be called Trustees, rather than Directors as stated in the minutes of 1958. The first Board of Trustees composed of the following named men: Mr. Robert M. Moore, Mr. O. L. Amsler, Dr. Lee Rogers, Mr. Oscar Lily, and Mr. J. J. Gainey will serve until the annual meeting in 1960, at which time there will be an election of new trustees as outlined in the by-laws of the Foundation. Mr. Gainey moved that all the work of the Foundation be approved by the Association. Mrs. Irene Maxwell seconded the motion and it was passed.

Mr. Moore announced that there would be a meeting of the Board of Trustees immediately following the Alumni Meeting.

(D) A report on the North Georgia College National Defense Student Loan Fund was given by Mr. H. H. Gilbert, Jr., Comptroller, North Georgia College. A copy of said report is attached to these minutes.

(E) Donald F. Dean reported that a North Georgia College Alumni Luncheon was held in Atlanta during the Georgia Education Association Convention in March.

Col. Hedden reported that possibly money for the Matching Fund would be available this coming year through the West Foundation.

Mr. Hilliard, President of the Association, recognized special guests: Professor J. C. Barnes and O. L. Amsler.

Mr. M. E. Hoag, President of North Georgia College, was asked by the Alumni President to speak on plans for the college. Mr. Hoag stated that

the delivery date for the Armory-Drill Hall-Gymnasium was January 1, 1960. Contract will be let June 30, 1959, for a Library Annex. Plans for the Gaillard Hall Annex are under way. The Annex, when completed, will house an additional 150 male students. An Isotope Laboratory will be available for use in September, 1959. These laboratory facilities are being made possible by money received through the Federal Government. Dr. Thigpen has donated to the college an 8" reflecting telescope. The Board of Regents has approved the construction of a building to house the telescope.

Mr. Hoag stated that the turn over of teacher personnel at North Georgia College has been exceptionally small in number. For the school year 1958-59 only one new member was added to the faculty. This was a result of Mr. Roger William's death. For the school year 1959-60 only two new members will be added to the faculty.

He reported that the various features of the military program has been expended within the past few years. At one time commissions were granted in the Infantry only. Now, however, commissions are granted in the field most closely associated with the student's academic major. This past year an army flight training program was initiated. Fifteen students received their wings as a result of participation in this program.

Mr. Hilliard expressed appreciation to the North Georgia College Administration for assistance during the year, to Mrs. Tyree for assisting with the Alumni Luncheon, and to Miss Virginia Scott, Alumni Editor of The Bugler.

Miss Jean White gave the following report for the nominating committee. President, Mr. Elmo Holt; 1st Vice President, Miss Jane Barrow; 2nd Vice President, Mr. H. E. Nelson; 3rd Vice President, Mr. J. J. Gainey; Historian, Mrs. W. A. Hedden; Secretary and Treasurer, Mr. Donald F. Dean.

The slate of officers presented by the committee was unanimously accepted by the Association.

The meeting was adjourned at 2:00 P. M.

Minutes of the Annual Meeting of the Alumni
Association, North Georgia College
June 5, 1955

The annual meeting of the North Georgia College Alumni Association convened at 10:30 A.M., Sunday, June 5, 1955, in the North Georgia College Home Economics Building, following a social hour at which coffee and doughnuts were served. There were forty-two members present.

The meeting was officially called to order by Pres. Charles L. Stewart, presiding officer and president of the Association. Mrs. Stewart then asked the secretary and treasurer, Miss Jean White, to read the minutes of the last meeting and give a treasurer's report. The minutes were unanimously approved as read. At the time of the treasurer's report the Association had \$210.75 in the operating fund and \$688.44 in the Barnes fund.

Following the report of the treasurer, Miss Jean White gave a report on the luncheon meeting of the Alumni Association, held during the annual CEA meeting, at the Howard Johnson Restaurant in Atlanta on March 18, 1955. This luncheon meeting, attended by thirty-four alumni, was the first of its kind ever to be held.

Pres. Stewart requested that Merritt L. Hoag, President of North Georgia College, give an account of the initiation and progress of the Alumni Scholarship Fund. In his report Pres. Hoag told of the need for such a fund to aid worthy students who are financially unable to attend college and the work that had been done to begin the fund. He stated that in response to the two letters sent to approximately 1000 graduates (of both the two-year and the four-year college programs), there had been a total of 218 contributions to date, averaging more than \$5 each. Pres. Stewart added to Pres. Hoag's report the fact that a total of \$1163.70 had then been received and expressed her appreciation for the response of the alumni members to the requests for scholarship fund contributions.

Pres. Hoag also told of the recommendations of the study commission appointed by the State Chief Executive to study school needs. After the five members of the commission visited the North Georgia College campus, they made, according to Pres. Hoag's report, the following recommendations:

1. That \$550,000 be provided for a combination drill hall, armory, and gymnasium.
2. That \$90,000 be provided for a new wing to the library.
3. That \$350,000 be made available to remodel Price Memorial Hall and to do other remodeling.
4. That ~~\$~~ 450,000 be provided for an additional wing to the new Gaillard Hall.

The total appropriations recommended by the study commission to be spent at North Georgia College amounts to \$1,340,000. The Board of Regents accepted the recommendations of the study commission.

Following Pres. Hoag's report, Mrs. Stewart called upon Mr. Gilbert, a member of the scholarship fund committee appointed during the last year

(the committee consists of Mr. Gilbert, a local alumnus-- Mr. Bill Grindle, and the president of the college), to report on the activities of the scholarship committee during their meeting on June 4, 1955. Mr. Gilbert made the following report of the recommendations of the committee:

Objectives of the scholarship program:

1. Requirements of recipients
 - a. Need for funds
 - b. Filing of personal application
 - c. Recommendation of high school principal and two other citizens
 - d. Qualifications to do college work-- a scoring of not less than 110 on standard I. Q. test.
2. Amount of scholarships-- to be tied to college fees (now 165 dollars)
3. Number of scholarships to be awarded
 - a. Five to be awarded this fall
 - b. Three to be awarded to men, two to women
4. Means by which students may be recommended for scholarships
 - a. By Alumni Association
 - b. By high school principals
5. Method of securing permanency of scholarship fund
 - a. Invest 10% of amount received each year in government bonds
 - b. Use interest from bonds for scholarships
6. Provisions for administration of scholarship fund-- Alumni Association henceforth provide funds for payment of postage for mail concerning scholarship fund.

The above recommendations of the scholarship committee were unanimously approved. Following the approval of the report, there was some discussion of the scholarship fund, after which there was a motion made to contact all students who have attended North Georgia College, whether or not they are graduates of either the two-year or the four-year program, asking them for contributions to the scholarship fund. The motion was seconded and approved by unanimous vote. Pres. Stewart then expressed the appreciation of the Association to Miss Estelle David, Pres. Hoag's secretary, for her diligent work in taking care of the mechanics involved in writing to alumni concerning the scholarship fund.

Upon the completion of the discussion concerning the scholarship fund, Pres. Stewart asked Mr. Keith Elrod to read the proposed new constitution and by-laws of the Association so that they could be finally voted upon. Following the reading of the constitution and by-laws, Pres. Stewart called for a motion setting the date of the annual meeting of the Association so that Article II of the by-laws could be definitely settled before voting on the new constitution and by-laws. After much discussion concerning possible meeting dates, a motion was made that a flexible date for meeting (a definite one to be determined later by the college calendar of events) be set, coming during the last week in April or the first week in May. The motion received a second, and nineteen voted in favor of it, fifteen against it. Since the motion did not receive a three-fourths majority, it did not carry. Mr. Bill Grindle then moved that the Association keep the same meeting date for next year but not set a permanent date for succeeding meetings. This motion was seconded and passed with no objection. The new constitution and by-laws were not voted upon.

The Association convened at 4:00 P. M., President J. B. Cheatham presiding and more than the usual number of members present. The business session constituted only a small part of the Alumni activities of the day, a Patron-Student Spread in the late afternoon being a more popular attraction. The events of the day were planned largely to give the Alumni an opportunity to meet and know the new President of the College, Dr. J. C. Rogers.

After each member present had introduced himself, stated the date of his attendance at the college, degree received, and the like, presiding officer Cheatham presented Pres. Rogers who delivered a stirring address, which merited and received generous applause.

A question was raised relative to the acceptability of records made at this college when presented to other institutions for credit. A committee was appointed to look into the matter and see that no undue discrimination is exercised against this college. The committee consisted of Judge W. T. Townsend, Professors O. L. Amsler and A. W. Cain.

Officers of the Association were elected as follows: J. B. Cheatham, President; H. E. Hawkins, First Vice-President; H. G. Jarrard, Second Vice-President; the President of the Senior Class ex-officio Third Vice-President.

The meeting adjourned and the members of the Association, together with many hundred friends of the College repaired to the Alumni Building to mingle with friends and partake of the Spread, a rain having compelled a hasty transfer of viands from the campus to the indoor location.

June 6, 1936

The Alumni Association met in the College Auditorium at 4:15 P.M. today, Pres. J. B. Cheatham presiding, and about the usual number of members present.

Minutes of the previous meeting, and likewise the annual report of the Treasurer were read and approved.

A committee was appointed at the annual meeting of the Association in 1935 to look into alleged discriminations against the records of this College when presented to certain other institutions for credit. The Committee rendered a tentative report, indicating that such discrimination no longer exists with respect to current records. The Committee, consisting of Judge W. T. Townsend, Profs. O. L. Amsler, and A. W. Cain was continued for another year.

A report was made by Pres. J. C. Rogers, showing that the College became a member of the Association of American Colleges and of the Association of Southern Colleges during the past year. Upon motion of F. M. Meaders, the Association passed a vote of thanks to Pres. Rogers for his excellent work in this respect.

Pres. Rogers appeared before the Association for an informal talk to the members, in the course of which he extended an invitation to all present to attend the President's reception at 5:00 P.M. on the current date. The President also set forth a tentative three-point program for the information and consideration of the members. This embodied the following points:

1. The holding of an annual banquet by the college alumni in connection with the sessions of the Georgia Education Association.
2. Better financial support of the college to be sought by bringing forcibly to the attention of Legislators the excellent work of the institution and its inadequate financial support.
3. A possible memorial building to be fostered by the Alumni. A committee consisting of the following ex-officio officers was designated to advise with the President of the College regarding the feasibility of such a plan; viz., The President, First Vice-President, and Secretary of the Association.

A motion prevailed regarding the appointment of a Committee to determine the kind of and make arrangement for entertainment or other exercises to be provided in connection with the next annual meeting of the Association. The chairman deferred the naming of the personnel of the Committee.

The chair named a committee consisting of H. L. Ash, J. C. Barnes, W. H. Jones, H. E. Hawkins to nominate officers of the Association for the ensuing year. The Committee selected the following: O. L. Amsler, President; H. L. Ash, First Vice-President; Mrs. Isabel Charters Smith, Second Vice-President; the President of the 1837 graduating class (W. T. Duncan) Third Vice-President.

The Alumni Association of the North Georgia College convened in the College Chapel at 3:45 P.M. today for its annual session. President O. L. Amsler and all of the three Vice-Presidents being absent, Judge W. T. Townsend was chosen as temporary chairman.

There were informal talks by several of the members regarding the Association, its personnel, and its problems. Particular attention was centered on the future of the Association and the part that the younger members should play in the organization. While there was no formal expression of opinion, it seemed to be the feeling that the future work of the Association should, in large measure, be the responsibility of the more recent graduates.

Minutes of the previous meeting were read and approved. The Treasurer read a report showing a balance of \$30.70 to the credit of the Association, this amount being deposited on the Bank of Dahlonega to the credit of the Association.

A motion prevailed regarding the appointment of a committee to determine the kind of and make arrangements for entertainment or exercises to be provided in connection with the next annual meeting of the Association. The naming of the personnel of the committee was left to the President of the Association.

All of the officers of the Association were re-elected, namely: O. L. Amsler, President; H. L. Ash, First Vice-President; Mrs. Isabel Charters Smith, Second Vice-President; the President of the 1937-1938 graduating class ex-officio Third Vice-President; A. W. Cain, Secretary-Treasurer.

June 11, 1938.

The Alumni Association of the North Georgia College convened in the College Chapel at 3:45 today, President O. L. Amsler presiding. Minutes of the previous meeting were read and approved; and the report of the Treasurer was presented, and received as information.

Pres. O. L. Amsler, Messers Bob Wynn and H. L. Ash gave interesting accounts of the attendance upon and participation in a recent session of the Georgia Education Association by former students of the North Georgia College. Pres. J. C. Rogers responded enthusiastically and commended the hearty co-operation between the college and the alumni. The President also called attention to the rapid growth of the college and the pressing need for additional facilities.

A committee consisting of P. M. Hutcherson, M. C. Wiley, H. L. Ash, and J. C. Barnes was appointed to join the President in a survey of the needs of the college and in laying before the Regents a summary of the pressing problems of the institution.

The Association noted with regret the passing of Judge W. T. Townsend who had been a faithful and able member of the alumni society for many years.

A belief apparently prevailed to the effect that the younger members should play a more active role in the affairs of the association, with a view to assuming major responsibility for the success of the society in the near future. With this aim in view the following officers were elected for 1938-1939:

Bob Wynn, President
 H. L. Ash, First Vice-President
 The President of the 1938-1939 Graduating Class
 Ex-officio Second Vice-President
 John Durden, Third Vice President
 A. W. CAIN was re-elected Secretary-Treasurer

The report of the Treasurer was read. This showed a balance of \$30.70 to the credit of the Association, the said amount being deposited in the Bank of Dahlonega.

June 10, 1939

The Alumni Society of the North Georgia College convened in the New Auditorium at 4:00 P.M. today, President Bob Wynn presiding. Minutes of the previous meeting were read and approved; and the report of the Treasurer was read and received as information.

A solemn and impressive memorial service was held in memory of the late Dr. Benjamin Palmer Gaillard. Among the speakers on the program were Mr. R. B. Brantley of Atlanta and Rev. H. Grady Jarrard of Gainesville. Many precious memories of bygone days were recalled by these earnest and eloquent speakers. Mr. Jarrard adverted to the fact that his father as a young man sat at the feet of Dr. Gaillard as Professor in days of yore when the college was in its infancy,

The Alumni Society presented to the college a portrait of Col. John W. West, former president of the College, who was the only alumnus ever to occupy this important position. Mrs. M. C. Wiley of the class of 1913 made the presentation as spokesman for the Association. The portrait was accepted for the college by President J. C. Rogers.

The report of the Treasurer was read. This showed a balance of \$30.70 to the credit of the Association, the said amount being deposited in the Bank of Dahlonega.

The following officers were elected for the year 1939-1940:

Bob Wynn, President
Sergeant R. S. McConnell, First Vice-President

The Alumni Society convened at 4:00 P.M. today, Pres. R. L. Wynn presiding.

Pres. J. C. Rogers was called upon for an address, and responded with a general survey of the progress of the college during the past year.

Minutes of the previous meetin were read and approved.

A Committe to nominate officers of the Society for 1940-1941 was named, the members being J. C. Barnes, O. L. Amsler, and Ben Groggers.

Members who attended the college prior to 1900 introduced themselves to the Association, the oldest member in point of attendance being Mrs. Fanny Baker who was a student in 1873.

Pres. Bob Wynn set forth the following challenge to the members: "Let's do something for the college in a large and definite way". J. B. Cheatham responded with his accustomed earnestness in a strong plea for a program that will care adequately for 1,000 students. Robert M. Moore further emphasized the sentiments expressed by the preceding speaker. Ben Griggers and Bill Perry made good talks in favor of better support for the college. R. C. Meaders for 50 years an alumnus of the college made a touching plea for means to care for all qualified students who seek admission to the college. J. C. Barnes and O. L. Amsler lent strong support to the general proposition and emphasized specific points presented by Pres. Rogers relative to colleg needs.

A motion prevailed to the effect that a steering committe be appointed to work in co-operation with the President of the College in an effort to meet the needs of the college as presented by the foregoing speakers. The chair appointed Robert M. Moore and J. B. Cheatham as the nucleus of the committee, and took under advisement the remaining personnel of the committee.

The following officers were elected for 1940-1941:

R. E. Wynn, President
 R. S. McConnell, First Vice President
 Geo. T. Watts, Second Vice-President
 C. F. Lanier, Third Vice President

The session was characterized by an unusual degree of informality and enthusiasm. MINUTES - NORTH GEORGIA COLLEGE ALUMNI ASSOCIATION - June 4, 1950.

The Alumni Association of North Georgia College met in regular session on June 4, 1950, at 11:00 A.M. in the college auditorium. President O. L. Amsler presided, and there were approximately three hundred former students present.

In order to give most of the time to the program honoring Professor J. C. Barnes upon the occasion of his statutory retirement from active teaching duties, a motion was entertained and passed to dispense with the reading of the minutes and the financial report with the provision that a statement would be mailed to the active members at a later date.

Following a few brief announcements and statements of plans for the future, the organization re-elected the following officers, as recommended by the Nominating Committee: O. L. Amsler, President; R. M. Moore, Vice-President; and Mrs. Ida Avery Phillips, Secretary and Treasurer.

Mr. M. E. Hoag, completing his first year as President of the college, greeted the assembly, paid tribute to Professor Barnes and set forth the aims and purposes of the college for the future. Mr. Barnes then presented Mrs. Hoag and members of the Barnes family who were present for the occasion.

Because of time limitation, sentiments for the entire group were expressed by the following representatives:

Mrs. W. A. Hedden of the Class of 1915;
Col. R. S. McConnell, former student and member of the military staff;
Robert M. Moore of the Class of 1920, speaking for the people of the town and county.

As a token of appreciation and esteem, a gold watch was presented to Professor Barnes by the group, represented by Mr. P. M. Hutcherson, former student and staff member. Then Mr. Amsler, acting in behalf of a large number of friends and alumni many of whom were not able to be present, presented to the college a portrait of Professor Barnes painted by an eminent New York artist; this was accepted by President Hoag for the college as a permanent memorial to one who has given a half-century of service to his Alma Mater and the State of Georgia.

The group then adjourned to greet "Daddy" Barnes personally and to wish him Godspeed as he continues to serve his fellowmen.

FINANCIAL STATEMENT - N.G.C. Alumni Association

July 1, 1950

After all indebtedness incurred for the portrait, personal gift, and expenses pertaining to the alumni gathering have been paid, there remains in the treasury approximately \$650.00 (itemized statement on file in the Alumni Office). This amount was given by former students and friends to honor Professor J. C. Barnes, and it is his wish that this remaining amount be used as a "nest egg" for a building fund for a permanent Alumni Home. All those who have not previously contributed or wish to make an additional contribution may do so at any time, for it is an "open fund" which we hope will grow considerably so that we may make some definite plans before another year.

Those who have sent dues or contributions during the current year will receive all correspondence during 1950-51, including the alumni news sheet which we hope to begin publishing early in the fall. Others wishing their names to be placed on the active membership list may do so by sending their current addresses and annual alumni dues (\$1.00 or more) to:

A PERSONAL MESSAGE FROM "DADDY" BARNES

Dahlonega, Georgia
 Sunday, June 11, 1950

Dear _____,

It was good to have you visit with us in person or spirit last Sunday. I appreciate your appreciation, but let's get it right ---- I have been merely incidental to North Georgia College, and it is your loyalty to the school and associations incident thereto that bind. Last Sunday I noted too many plays of Tinker -- to Evers -- to Chance to believe otherwise; and it is best that it is thus sincerely human.

On reaching the seventieth mile post and alledgedly out-maneuvering the faculty (a move less difficult than it might seem) I had Lee Rogers give the old post a once over. He found it not quite plumb, somewhat marred from the pebbles that have been cast our way, not smoothe enough for another coat of paint -- but no evidence of termites! Lee administered a good dose of preservative, rather than paint, and we find it quite easy to move out on the western trail.

I told you last Sunday that I had not found the drab, dreary unrest that had Dorris Lockerman's man of 56 who RETIRED to catch up with his fishing, golf and other selfish yearnings that come to all of us. As I journey out toward the western rim, I find not a rough, brambled trail; rather a pleasant, though narrow lane -- Memory's Lane -- and the travel is pleasant and not difficult. The foliage is not the deep green of spring or mid-summer, but the scarcity of leaf is more than compensated for by Indian Summer colors. The western sky is not overcast, and the nip of the breeze really gives zest to the journey.

My family, friends and associates seem unduly concerned as to my future activities, but they need have no worry -- we are NOT RETIRING.

By heritage, association and nationality I have enjoyed many privileges and a way of life that has been satisfying. For this I am profoundly grateful. I have always tried to carry my full load and cost of this way of life; but as we become more contemplative and ruminative, I find implied obligations that I sincerely desire to pay in full and perchance some of the later years had best be used in fulfilling these obligations.

From what I have been able to worm out of Robert Moore, Roy Amsler, Mrs. Young and Mrs. Ida Avery Phillips, I fear that some of your recent statements have been somewhat mythical or exaggerated. To say the least, they do not sound like some of those that have come my way in other days! Perchance I had best use up some time and any slight credit I may have with Parson Johnson in purchasing a few prayers. It won't hurt any of us.

I am enrolling in the Class of 1950 by mailing Mrs. Ida Avery Phillips my alumni dues of \$1.00 for 1950-51 and trust that we can all gather in Dahlonega next June.

Sincerely,

J. C. Barnes

Minutes of the Annual Meeting of the Alumni
Association, North Georgia College

Convened at 10:12 AM, Sunday June 6th, 1934 in the HOLLIDAY Bldg., on the Campus, the 2nd Vice President Mrs. Charles L. Stewart presiding, the president being ill in Hospital at Fort Benning Ga., and the 1st Vice president being absent on a motor trip.

38 members were present at the beginning of the meeting (list of those registered filed in the minutes book of the Association.) and others arrived and were present during part of the meeting.

Minutes of the previous meeting were read. There being no corrections they were ordered approved.

Report was called for from the committee for arranging an assembly of the NGC Alumni at the annual meeting in Atlanta of the Georgia Education Association. There being no representative of such Committee, President Hoag of North Georgia College gave a brief report to the effect that while no assemblage was arranged, the college opened a booth for the convenience of NGC alumni there and thru this means the alumni mailing list was increased by several names. He believed that it could be possible to arrange for a breakfast at the succeeding meetings of the GEA.

President Hoag then presented matters for the consideration of the Association as follows:

The annual College "Parents Day" as a more suitable time for the annual Alumni Meeting.

The need of the college itself for a strong Alumni Association.

The continued progress and growth of the institution both in physical plant and academically.

Urgent need of the institution for scholarship funds by means of which worthy and qualified students could be enabled to enter who otherwise could have no chance.

His (President Hoag's) belief that the alumni of the College by modest contributions over the years could create the foundation for such funds.

Necessity that the Association elect officers who ~~could~~ can be reached readily for frequent contact with the college administration.

O. L. Amster, Class of 1917 spoke briefly in favor of a change in the annual meeting date.

The Secretary reported that 110 alumni registered during the 1934 "Parents Day".

Mrs. Morris Taylor, Class of 1948 spoke from the floor in appreciation of the accomplishments of the college administration.

After considerable discussion it was moved seconded and passed with no dissenting vote, that the chair appoint a committee to consider and recommend to the Association at the next meeting, whether there should be any change in the annual meeting date.

Following discussion of the matter, it was moved, seconded and passed with no dissenting vote, that the chair appoint a committee to propose to the Association at its next meeting, a plan for providing the needed scholarships for worthy and qualified High School Graduates.

The committee appointed at the 1933 meeting to propose revisions of the constitution, made its report in the form of a resolution proposing the adoption of a new Constitution and By Laws as prepared by it.

The proposed new constitution and by laws were read on behalf of the committee by Capt Morris Taylor, Class of 1948, and were discussed. (Copy filed herewith as part of these minutes.)

The resolution of adoption was carried without dissenting vote but with amendment providing that the provision covering a meeting date be held in abeyance pending the report of the committee to be appointed by the chair as previously ordered.

It was moved, seconded and passed that Colonel Willis A. Hedden, US Army Retd., PLS & T at North Georgia College (then the North Georgia Agricultural College) 1922 & 1923, and 1925 - 1929 be enrolled as an Honorary Member of the Association.

It was moved, seconded and passed that President M. E. Hoag, North Georgia College, and former president J. C. Rogers, be enrolled as Honorary members of the Association.

The Chair directed that the greeting of the Association and best wishes for his continued progress toward complete recovery from war injuries, be conveyed to the retiring president of the Association, Lieutenant Ringery.

There was some discussion from the floor of the matter of action in arranging for reunions of the "Ten-Year" classes in connection with the annual meetings of the association but no action was taken.

The nominating committee presented the following names as officers as indicated for the new year:

President, Mrs. Charles L. Stewart
First Vice President, Colonel Hughes Ash
Second Vice President Mr. O. L. Amsler
Third Vice President, William Livesey
Historian, Grace Conner
Secretary, Jean White

There being no nominations from the floor, the nominations were closed and the above were elected by acclamation without dissent.

It was moved, seconded and passed with suitable action, that the retiring secretary Mrs. W. A. Hedden (Mary Lou Quillian 1914) be given a rising vote of thanks.

There being no further business, the meeting then adjourned sine die, and members repaired to the college canteen for refreshments.

Minutes of the Annual Meeting of the
North Georgia College Alumni Association
June 3, 1956

The annual meeting of the North Georgia College Alumni Association convened at 10:00 a.m., Sunday, June 3, 1956, in Room 105 of the North Georgia College Science Building, following a social hour in the College Canteen at which coffee and doughnuts were served. There were thirty members present.

The meeting was officially called to order by Miss Jean White, President of the Association. Minutes of the last meeting were read by Mrs. C. L. Stewart and unanimously approved by the Association.

Miss White appointed Mr. O. L. Amsler as Parliamentarian for the current meeting. Mr. J. W. Phillips, Secretary-Treasurer of the Association, reported that the General Fund had a balance to date of \$15.43 and the Scholarship Fund a balance of \$2,089.20.

Mr. M. E. Hoag, President of North Georgia College, was introduced by Miss White. In his remarks, Mr. Hoag spoke of the following items of progress of the college during the past year:

1. The contract has been let for the new Armory-Drill Hall-Gymnasium on the college campus. The probable date of beginning of construction will be this fall and it is expected that it will be completed in one year and a half. This building, when completed, will round out the instructional facilities of the campus.

2. The present Academic Building is being remodeled for classroom and student canteen use.

3. The building needs next to be recommended to the Board of Regents will be an extension to the Library and an annex to Gaillard Hall.

4. A capacity enrollment of 700 is expected for the fall of 1956. To date there are spaces left for 20 women and 18 men.

5. The cadet uniform is to be changed next session to a grey-green uniform, comparable to the new Regular Army uniform.

6. Two things have been accomplished by the ROTC panel representing the viewpoint of the military colleges working with the Department of Defense. The uniform allowance for ROTC cadets in essentially military colleges has been raised from \$150 to \$300, and the classification of military colleges has been definitely defined. There are now seven colleges in this category - North Georgia College, Pennsylvania Military College, Norwich University, Texas A. & M., The Citadel, VPI, and VMI.

Miss White expressed the Alumni Association's appreciation to Miss Estelle David for her work in mailing announcements to alumni.

The following report on the Scholarship Fund was made by Miss White: Last year a total of \$1488.70 was received from 257 contributors. Approximately 1800 letters were mailed to graduates, both senior and junior college

graduates. This year the contributions totaled \$940.50, representing 125 contributors. Approximately 6,000 letters were sent, including not only graduates of the college but also others who had attended North Georgia College for one or more years and whose addresses were available.

Miss White further stated that two scholarships were awarded during the past year, although the Association's minutes of the 1955 meeting provided for five scholarships to be awarded during the 1955-56 school year. Mr. Clark Ray moved that the number of scholarships to be awarded during the 1956-57 session be determined by the committee which considers the applications. The motion was seconded by Capt. C. L. Stewart. Mrs. C. N. King moved the following amendment to the motion: that the committee decide each year on how many scholarships are to be awarded. The motion as amended was unanimously carried.

It was decided in discussion that letters concerning contributions to the Scholarship Fund be sent out in March of 1957. The question of how to pay the postage was raised. Mrs. C. L. Stewart moved that expenses for mailing letters in connection with the Scholarship Fund be paid from the Scholarship Fund. The motion was seconded by Capt. Stewart and unanimously passed. It was suggested by Mrs. Stewart that the letter to alumni include a statement to the effect that alumni may suggest to the scholarship committee worthy applicants for scholarship aid.

Miss White reported that the alumni luncheon held in Atlanta during the G. E. A. convention was an enjoyable occasion. About thirty North Georgia College alumni attended. Miss White stated that arrangements would be made for a similar luncheon at the next G. E. A. convention.

Appreciation to the Cadet Bugler staff was expressed by Miss White. Miss Anne Dismukes, Alumni Editor, was commended on the excellent coverage of alumni news in the winter issue of the Bugler. Since the winter issue is designated as the Alumni Issue, alumni were asked to send news items by January of 1957, addressed to Miss Carolyn Nebane, Alumni Editor of Cadet Bugler, North Georgia College.

Col. W. A. Hedden, reporting for Col. J. W. West who was unable to attend the meeting, explained Col. West's proposal for the establishment of the John Worth West Educational Foundation. Col. West has a museum collection of considerable value at his home in Jonesboro, Georgia. He intends to deed the property and collection to the Foundation. A charter has been drawn up for the foundation, the purpose of which is to provide funds for needy students. An amount of approximately \$250,000 is necessary to house and display the collection. The charter provides for administration by a board of seven trustees including the President of the NGC Alumni Society and one local alumnus. Miss White asked what connection the proposed John Worth West Educational Foundation had with the present North Georgia College Scholarship Fund and the NGC Alumni Association. Col. Hedden replied that it had none with the exception that the Board of Trustees would include the Alumni President and one local alumnus and that the scholarships awarded would include scholarships to North Georgia College students.

Dr. R. Lee Rogers spoke on setting up an educational foundation through the Alumni Association. His plan is that the foundation be incorporated and administered by a board of directors. He stated that he knew of several alumni who wished to contribute substantial sums for this purpose. This proposed

foundation is to have no connection with the proposed West Educational Foundation or the present Scholarship Fund. Mr. O. L. Amsler spoke in favor of Dr. Rogers' proposal, stating that such a foundation would be of invaluable benefit to the college. He stressed the growth of the college during the last few years and its increasing prestige in the state. More and more, he said, people of Georgia are turning to North Georgia for a college of sound education for their sons and daughters. Dr. Rogers moved that the Alumni President be authorized to appoint a committee of five people, at least three to be members of the Alumni Association, to study the possibility of establishing such a foundation and that the committee be requested to submit a report at a called meeting of the Association sometime near January of 1957. The motion was seconded by Mr. Amsler and unanimously passed by the Association.

A discussion was held on Article II of the Association By Laws concerning time of meeting. Mrs. W. A. Hedden moved that Article II of the By Laws be amended to state that the time of each annual meeting be determined by the Alumni Association at its preceding annual meeting and further that the Association's Constitution, which was read at the 1956 meeting, be accepted. Mr. Amsler seconded the motion and it was passed.

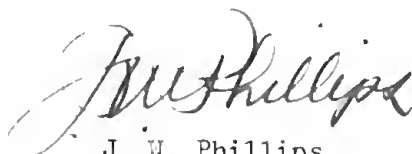

A lengthy discussion was then held on the time of meeting for next year. Mr. Amsler suggested that emphasis be placed on certain classes on various years. Mrs. Boyette expressed a desire to develop some method of getting more people to attend the annual meetings. Col. Hedden moved that the annual meeting for 1957 be held in connection with an alumni dinner in Gainesville preceding the annual Military Ball and that the Alumni President be authorized to appoint a committee to make the necessary arrangements. Col. Hedden's motion was seconded by Mr. J. R. Hitchcock. Mr. Phillips spoke of his desire to have the meeting tied in with the Military Ball. He stated that when the new college gymnasium was completed there would be space for a large ball and that it was his opinion that the large majority of alumni preferred to attend an alumni meeting at the college at the time of the Military Ball. Col. Hedden's motion was voted on and defeated. Mr. Charles King moved that the annual meeting for 1957 be held a week prior to commencement on a Saturday and that activities be planned for the day including an evening dance. This motion was seconded by Mrs. Boyette and passed. Miss White was asked to appoint a committee to make the necessary arrangements. It was further decided that the exact hour of the business meeting for next year is to be determined by the alumni officers and also that if the date of one week before commencement should conflict with the college schedule, the officers are to arrange another date near the same time.

Mr. C. L. Stewart, chairman of the nominating committee, next made his report. Other members of the nominating committee were Mr. O. L. Amsler and Mr. J. C. Barnes. The following slate of officers was read:

President - Miss Jean White
 1st Vice President - Robert M. Moore
 2nd Vice President - Keith Elrod
 3rd Vice President - Mrs. Lucinda Paradise Spivey
 Historian - Mrs. W. A. Hedden
 Secretary-Treasurer - J. W. Phillips

There were no nominations from the floor. Dr. Rogers moved that the nominations be accepted. The motion was seconded by Mr. Amsler and unanimously accepted by the Association.

The meeting adjourned at 12:30.

J. W. Phillips
Secretary

Minutes of the Annual Meeting of the
North Georgia College Alumni Association
May 25, 1957

The annual meeting of the North Georgia College Alumni Association convened at 1:30 p.m., Saturday, May 25, 1957, at Pine Valley in Dahlonega, Georgia, following a picnic lunch. Approximately 100 members were present.

The meeting was called to order by the President, Miss Jean White. She welcomed those present and recognized Col. J. W. West, Mrs. A. W. Cain and family, and Rev. and Mrs. A. C. Johnson as special guests.

Minutes of the last meeting were read. On motion of Mr. H. T. Meaders, seconded by Col. J. W. West, the minutes were unanimously approved by the Association.

Mr. Roger L. Williams, Director of Physical Education of North Georgia College, announced a baseball game for 3:00 p.m. and a senior-alumni dance for 8:30 p.m. and invited all present to attend.

Mr. O. L. Amsler was appointed parliamentarian for the meeting.

Miss White reported that there had been 176 contributors to the Alumni Scholarship Fund during the current year and that a total of \$3,693.70 had been contributed to the fund during the three years of its operation. She stated that the recipients were being carefully selected by the committee. She stated further that it had been suggested that money in this fund be placed on a savings account at 3% interest but that at least 10% be untouched. Mr. O. L. Amsler made a motion that this be done. Mr. H. T. Meaders seconded the motion with the suggestion that the savings account be placed with a national bank for security. The motion was passed.

Miss White reported that the alumni luncheon held in Atlanta during the G. E. A. convention was an enjoyable occasion and was attended by about 25 people. She stated that this custom will be continued each year.

Mr. Robert M. Moore, chairman of the committee for the proposed Educational Loan Fund, was called on for a report. Other members of this committee are Mr. O. L. Amsler, Mr. J. J. Gainey, Mr. Oscar Lily, and Dr. Lee Rogers. Mr. Moore reported that the committee had been in consultation with two attorneys to set up the foundation. He stated that the committee could not legally go further in setting up and incorporating such a foundation without the Association's vote to empower the committee to do so. Mr. H. T. Meaders made a motion that the committee be so empowered. The motion was seconded by Col. West and passed. Miss White explained to the Association members that this is to be a fund for lending money to students and that it has no connection with the present scholarship fund.

The next question presented was the date for the meeting in 1958. Mr. J. W. Grindle moved that the meeting be set for the Saturday before the North Georgia College commencement week end and that the same program be planned for 1958. Mrs. C. N. King seconded the motion. Mr. H. T. Meaders spoke on the inconvenience to alumni who wished to be on the campus during commencement, thus necessitating two trips to Dahlonega. He offered the motion that the meeting date be set for the Saturday of commencement. Mr. Grindle's motion was voted on and carried by a vote of 14 to 12. Mr. J. W. Phillips spoke in favor of Mr. Meader's

motion, stating that such an arrangement would serve more people. Mr. Meaders moved that the action just taken be reconsidered. The motion was seconded by Mr. E. C. Creel and carried. Mr. Meaders then moved that the alumni meeting date be set for the Saturday of commencement. It was seconded by Mr. Phillips and carried by a vote of 20 to 1.

Miss White expressed the gratitude of the Association to the college administration for their support in arranging the alumni-day program, to Miss Estelle David for her assistance in alumni correspondence, and to the Bugler staff for their cooperation.

Mr. O. L. Amsler made the report for the nominating committee. Other members of this committee were Mrs. Ida Phillips and Mr. J. W. Grindle.

The following slate of officers was presented:

President, Miss Jean White
First Vice President, Mr. Robert M. Moore
Second Vice President, Mr. Reuben Black
Third Vice President, Mr. Terry Horton
Historian, Mrs. W. A. Hedden
Secretary-Treasurer, Mr. J. W. Phillips

Nominations from the floor were asked for. Mr. E. C. Creel moved that the nominations be closed. The motion was seconded by Col. West. The slate of officers as presented was accepted by unanimous vote.

Miss White asked that the alumni pay dues at the close of the meeting and announced that copies of the latest issue of the Cadet Bugler were available for those who wished a copy.

Mr. Meaders moved that membership cards be printed and given to Association members each year as dues are paid. The motion was seconded by Major H. E. Hawkins and passed.

Major Hawkins spoke on the subject of class reunions. He suggested that each class have a reunion every 25 years and moved that the class of 1933 arrange for a reunion at the next meeting. Mr. Amsler suggested that classes hold reunions in 10-year groups. Mr. Meaders stated that the reunions should not begin with the class of 1933 but that classes of previous dates be included. In the discussion that followed it was the general opinion that class reunions should be held in 10-year cycles but no action was taken on the matter.

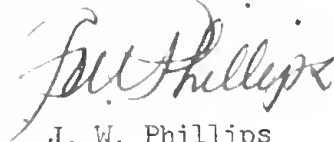

Mr. E. C. Creel spoke on the subject of placing a portrait of Col. J. W. West in the college library. He made a motion that the president of the Association be asked to name a committee to procure a portrait of Col. West in the event such a portrait is not already at the college and that it be placed in the college library. The motion was seconded by Major Hawkins and unanimously passed. Miss White appointed the following committee: Mr. E. C. Creel, Chairman, Mr. J. W. Phillips, and Mr. H. T. Meaders.

Mr. Meaders asked that the alumni secretary furnish him with a list of alumni who live in Augusta, Georgia, so that he might get in touch with them

prior to the next meeting of the Association.

Mr. Creel expressed, on behalf of the Association, appreciation to the alumni president for the fine work she had done during the year.

Mr. Amsler moved that the meeting be adjourned and it was seconded by Mrs. Ida Phillips. The motion was passed and the meeting turned over to Major H. W. Hawkins, who presented to North Georgia College an oil portrait of the late Professor A. W. Cain. Rev. A. C. Johnson offered a prayer and the portrait was unveiled by Professor Cain's granddaughters, Misses Bonnie and Barbara Cain. President M. E. Hoag accepted the portrait for the college.

Minutes of the Annual Meeting of
the North Georgia College Alumni Association
May 31, 1958

The annual meeting of the North Georgia College Alumni Association convened at 2:00 p.m., Saturday, May 31, 1958, at Pine Valley in Dahlonega, Georgia, following a picnic lunch. Approximately 65 members were present.

The meeting was called to order by the President, Miss Jean White. She welcomed the members present and recognized the visitors, Mr. and Mrs. M. E. Hoag and Mr. and Mrs. Will D. Young.

Minutes of the last meeting, held on May 25, 1957, were read. Upon motion of Mr. Elmo Holt and seconded by Mr. John Peck, the Association voted that they be approved.

Mr. J. W. Phillips, Secretary and Treasurer, reported on the Association's finances. A copy of his report is attached to these minutes. He stated that of the \$752.58 in the Regular Account, \$688.44, designated as the Barnes Fund, is on savings account. Of the \$2,953.93 in the Scholarship Fund, \$2,000 has been placed in savings account as directed at the last meeting of the Association. Mr. Phillips further stated that nine students at North Georgia College have received funds from the Alumni Scholarship Fund. Miss White added that the Scholarship Fund had received this year \$891.00 from 120 contributors.

Miss White reported that an NGC alumni luncheon was held in Atlanta during the GEA convention in March. It was well attended.

In the absence of Mr. Robert Moore, chairman of the educational loan fund committee, Mr. J. J. Gainey gave a report. He stated that all is in readiness to draw up the papers for the incorporation of the Foundation with the exception of several details on which the committee must have direction from the Association. The first of these items was the name. Mr. Gainey suggested that the foundation be named The North Georgia College Foundation, Inc. On motion

of Mr. W. T. Gentry and seconded by Mr. H. E. Nelson, the Association voted that this name be used. Mr. Gainey then stated that in phrasing the charter, he would name the incorporators and add, "and associates and/or successors." He then raised the question of the county in which it would be incorporated. Mr. O. L. Amsler moved that since Mr. Oscar Lily, a banker of Hall County, would have charge of handling the funds, it be incorporated in Hall County. Mr. H. M. Thomason seconded the motion and it was passed. The next point made by Mr. Gainey concerned several items of expense involved, such as procuring a certificate from the Secretary of State, recording the charter, and publishing, all of which would amount to approximately \$65. Mr. Holt moved that these expenses be paid from the Association's treasury. The motion was seconded by Mr. Amsler and passed by the Association. Mr. Gainey explained that the incorporators will be called directors and that these directors will adopt by-laws for guidance, which bylaws can be changed from time to time to meet circumstances that may arise. The directors will nominate their successors and submit the nominees to the Association for election. Mr. Holt expressed to Mr. Gainey on behalf of the Association appreciation for his work on drawing up the charter of the foundation.

Miss White expressed appreciation to the North Georgia College administration for assistance during the year, to Miss Estelle David for assisting with alumni correspondence, to Miss Carolyn Mebane, the alumni editor of The Bugler for the past two years, and to Mr. Phillips and Miss Lucille Chambers for arrangements for the lunch.

Mr. M. E. Hoag, President of North Georgia College, was asked by the alumni president to speak on plans for the college. He stated that the armory-drill hall-gymnasium construction had begun and that the building would in all probability be available for use in September of 1959. Plans are also under way for construction to begin on a new wing on Gaillard Hall which will accom-

modate an additional 150 men. Mr. Hoag further stated that the college receives more applications than it can accommodate and he emphasized to the alumni the importance of their advising prospective students to apply for entrance early.

Miss White asked for a report from the committee appointed at the last meeting to investigate the matter of placing a portrait of Col. J. W. West in the college library. Mr. Phillips stated that Mr. E. C. Creel, chairman of the committee, was not present, that correspondence about the matter was being carried on, but that no report could be made at this time.

The matter of time and place of the next meeting was presented. Col. J. W. West moved that the next meeting be held in Dahlonega on the Saturday of the North Georgia College graduation week end. The motion was seconded by Mr. Thomason and unanimously passed by the Association.

Col. J. W. West spoke on the subject of an educational fund which he had established from his private museum. He said that the income from this foundation is available to students of North Georgia College who need financial help.

Mr. Max Thomason gave the following report for the nominating committee: President, Mr. Hugh E. Hilliard, Decatur; First Vice President, Mr. Elmo Holt, Atlanta; Second Vice President, Miss Carolyn Mebane, Dunwoody; Third Vice President, Mr. H. E. Nelson, Decatur; Historian, Mrs. W. A. Hedden, Dahlonega; Secretary-Treasurer, Mr. Donald F. Dean, Dahlonega. The slate of officers presented by the committee was unanimously accepted by the Association.

Mr. O. L. Amsler asked for a rising vote of thanks to Miss White and her officers for the work they had done during the year.

Mr. Elmo Holt, President of the NGC Alumni Association of Greater Atlanta, presented to the alumni president a check for \$50 for the Alumni Scholarship Fund.

The meeting was adjourned at 3:00 p.m.
